INTERESTS

- Learn Technologies
- Gaming

CERTIFICATIONS

- Hukumu Interview Hackathon 

Masai
It gives me an opportunity to improve my interview skills. It gives me clarity on how to be more confident in interviews and establish a great connection.
- Zoom Marathon Challenge 

Masai
English fluency Marathon. Organized by Masai and give me the opportunity to be part of it. That enhance my confidence to speak more efficiently.

Rahul Verma

Full Stack Web Developer

PROFESSIONAL SUMMARY

Dynamic full stack web developer with adeptness in JavaScript and the MERN stack, complemented by strong collaboration and problem-solving skills. Proficient in leveraging Generative AI and swiftly adopting new technologies. Committed to creating scalable applications through effective teamwork and innovative solutions.

PROJECTS

1. Big Basket | |

JavaScript | HTML5 | CSS3 | Responsive Web Design

- Developed a full-stack e-commerce clone of Big Basket using the MERN stack.
- Led the front-end implementation and developed key API functionalities using Node.js, Express, and MongoDB.
- Implemented user authentication with JWT, creating secure and efficient login systems.
- Optimized the site for performance and mobile responsiveness, ensuring cross-browser compatibility.
- Deployed the application on Vercel and Heroku, showcasing full-stack deployment expertise.

2. H & M Clothing | |

JavaScript | React | Git | HTML5 | CSS3 | Responsive Web Design

- Developed core components of the website using React, focusing on product header, shopping, and cart pages.
- Implemented dynamic filtering and sorting features to enhance user experience.
- Designed a secure user authentication system and session management with React.
- Collaborated in a team to ensure cohesive and functional site design.
- Utilized Git for version control and collaborative workflows.

WORK EXPERIENCE

Smashit Sporting Concepts Pvt. Ltd.

Staff Accountant
April 2024-present

Job responsibilities:

- Managed day-to-day accounting tasks, including ledger maintenance, invoice processing, and payroll management, contributing to the smooth operation of financial activities.
- Identified opportunities for process improvements within accounting functions, leading to increased efficiency and accuracy.

Shri Salasar Enterprises

Jr. Accountant
February 2023 - April 2024

Job responsibilities:

- Efficiently managed financial tasks including bank reconciliations, creditor and debtor management, and inventory management, honing analytical skills and attention to detail.
- Prepared GST and TDS returns, demonstrating ability to work within regulatory frameworks and providing a solid foundation for transitioning into a software development role.
